

# FINANCIAL ADVISORY

# **Financial Planning Graduate Role**

### Pacem

As one of Northern Ireland's leading Financial Advisory Firms, Pacem is a boutique Practice which offers a unique Financial Planning & Accountancy Business Advisory service. As a company we are people focused and we have a very close relationship with our clients. Our culture is that we want all team members to realise their potential and we provide this through mentoring and coaching. We promote employee well-being and a supportive team working ethos in line with company values and objectives.

Founded in 2016, with a team of 7 people and £23 million Assets under Management

- Our team has grown from 7 people to 28 people.
- In our Financial Planning business our client Assets under Management have grown from £23 million in 2016, to £178.5 million at present.
- We have over 500 clients across the firm.
- Pacem won East Belfast's 'Employer of the Year' award in 2020 and 2022. Best Wellbeing in the Workplace - 2024
- We're delighted to be shortlisted for 'Family Business of the Year' at the Belfast Chamber Business Awards 2023
- Pacem focuses on working with small to medium sized business owners to provide a coordinated financial plan to provide for both their personal and business needs.

## Pacem Workplace Awards

# Pacem Financial Advisory

- A client often comes to us with what they feel is a pressing problem e.g. a pension issue.
- While trying to solve this issue with them, it's our job to work out the range of financial issues they face in life which they maybe haven't realised exist yet or they are not yet focusing on.
- Once discussed, we prepare a coherent plan to provide clarity and direction to provide peace of mind about their future.
- As part of our ongoing service, we review these objectives and issues on an annual basis.

Your coherent plan

- Relaxed
- Confident

## Pacem Financial Advisory

• In each client's plan, there are 4 key areas of financial advisory, as outlined below.

### Financial plan

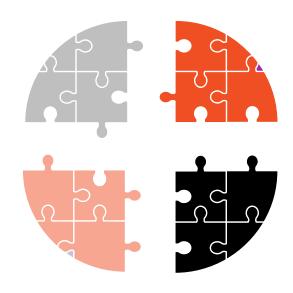

Lifetime cashflow planning:

- a) Are your assets sufficient to meet your goals?
- b) What choices do you have?
- c) What trade-offs will you make?

### **Contingency plan**

Planning for the known unknowns:

- a) Long-term care
- b) Premature death
- c) Illness

### Investment plan

Your current portfolio:

- a) Suitable?
- b) Well structured?
- c) Understandable?

### Tax plan

Are your affairs tax efficient?\*

- a) Tax reliefs maximised?
- b) Asset location effective?
- c) IHT planned for?
- \* We only work within the common and wholly acceptable tax efficiency planning opportunities afforded by HMRC

# Pacem Accounting & Tax Advisory

# Support for Local Start up businesses

Over the last few years we have been heavily involved in programmes with early stage growth businesses. Pacem is a leading provider of business and accounting advisory services to early stage growth

businesses in Belfast.

## A Transformative One-day Workshop for Entrepreneurs and Wantrepreneurs

Would you benefit from a free one-day workshop in which you'll hone your business purpose, market focus, USP and story, whilst constructively appraising the marketing, goal-setting and prioritisation that will deliver your vision?

For more information, and to apply, visit www.podiem.com/SST
Deadline for applications: 12 noon, Monday 17 February 2020.

# Win £2,500

to give your business idea traction.

This competition is designed to unearth, recognise and help to fast track the best business ideas in Belfast. It is the strength of the idea that will be assessed rather than the achievements of the venture so far which means that those who have yet to set up a business have as much chance of winning as those who have already started trading.

For more information, and to enter, visit: www.belfastcity.gov.uk/ideaaward before 12 noon on Thursday 31 October.

All finalists will get to hear from entrepreneur, bestselling business author & international speaker, Lara Morgan.

Business support package

The winner and two runners-up will each receive a support package worth

°<sup>ver</sup>£3,000

# Pacem's Core Values

Core Values		
Good to Be Around	Do things the right way, rather than the easy way	
<ul> <li>Easy to get on with.</li> <li>Good to be around, even under pressure.</li> <li>Genuinely care about people, takes time to talk to people.</li> </ul>	<ul> <li>Reliability; complete assurance something will be done and be done right.</li> <li>Great organisational skills, attention to detail, and the ability to pull things together.</li> <li>Diligence and quality are core to delivering the client service.</li> </ul>	
Enthusiasm – gets stuck in	Proud of Pacem and everything that we do individually and collectively	
<ul> <li>Will do whatever is required.</li> <li>Determination to see things through.</li> <li>Initiative &amp; commitment to develop.</li> <li>Appetite to learn &amp; take on new challenges.</li> </ul>	<ul> <li>Everything matters; we take pride in:</li> <li>Our clients – the work they do and our relationships with them</li> <li>Our team and culture</li> <li>Our office and its environment</li> <li>Our communications (written and verbal)</li> <li>Our social impact and outreach activity</li> <li>Our processes</li> </ul>	
Growth mentality – trying to push the boundaries	Always thinking about the client	
<ul> <li>To innovate and evolve, looking for the next opportunities.</li> <li>Never satisfied and always trying to improve.</li> <li>Purpose in our work and our career development.</li> <li>Ensuring we all retain the bigger picture and are asking 'why?'</li> </ul>	<ul> <li>We appreciate the opportunity and the business our clients create for us.</li> <li>We're here to make their lives easier.</li> <li>Working hard for our clients - going over and above expectations.</li> <li>Having an inquisitive and questioning approach to client work.</li> <li>Focusing on the clients' needs and wants and not what suits us best.</li> </ul>	

## Why we are a great place to work

- 🖫 Great team culture & strong values
- Passionate about helping clients create the outcomes they want in business life
- Engaging our team to grow and reach their potential by creating opportunities and a balance of support and challenge.
- Helping the team like the life they want around work
- Exposure to a range of business areas, empowerment to collaborate on impactful projects and develop new skill sets

## Long-Term Objectives

As the business is constantly growing, we will need valued members of the firm to help us deliver the best service to our clients and to help continue with the growth of the business.

### Career Path

- Below is an example of what a career path might look like for an Analyst, who has ambition to become a Financial Adviser.
- Often individual's may be suited to different Senior Roles within the business, including a Paraplanner role or other Operational areas.

### The Role

The successful candidate will work with our Advisers and Paraplanning team to provide professional, efficient and compliant financial planning services to our clients. It is expected that you will be consistently accurate in your work, be able to work on your own initiative and maintain the high level of professionalism that our clients expect.

Working within our team will require you to be hands on in all areas so you will also be expected to answer telephone calls and deal directly with clients. The ability to communicate in a professional and knowledgeable manner both written and oral will be important.

### Main Duties Overview

The main duties focus on supporting the team to deliver a professional service that provides clients with clarity, insight and peace of mind. The role will include working in the Platform & Servicing team and Planning team in the initial months. This will include:

- Working with one of the firms Adviser's to provide our ongoing annual review service to our clients.
- Support the advice and paraplanning team in providing clients with their Strategic Financial Plan, providing Financial analysis and projections, Investment Analysis, Tax and Estate Planning and Contingency Advice.
- Support the team in client portfolio management and processing on our investment platforms.
- Manage client databases on our back office system Intelligent Office.
- Undertake office admin to support team including excel analysis, database updating, file scanning and reception cover if required.
- Working within our Platform and Servicing Team to implement any changes following our ongoing annual review or Strategic Financial Plan service to our clients.
- Working with the team to ensure there is a seamless transition from the Planning team and that all actions are completed in a timely manner and communicated back to the client.
- Ensure fund switches / rebalances / top ups / withdrawals are carried out accurately and within company timescales.

## **Detailed Duties**

Working as part of our team to deliver and implement an exceptional service to all clients:

- Follow a strict compliant documented process on how the firm implements our financial planning advice to meet FCA regulations.
- Contact financial institutions and investment providers to assess new client's current holdings and portfolios.
- Create and maintain accurate client records on back-office systems, platforms and any other IT systems e.g. cashflow & risk profiler
- Prepare client documentation and correspondence post meetings as per business processes
- Check accuracy and completeness of new business documentation
- Ensure that all business applications are processed accurately and efficiently, in a compliant manner, to the firm's standards
- Ensure all supporting documentation is maintained as per company procedures
- Record and reconcile fees
- Ensure all work is followed up promptly in line with company standards
- Liaise with product providers to ensure timely and accurate responses to clients (progress chasing)
- Send Letters of Authority and gather accurate information
- Obtain illustrations and application forms
- Production of portfolio valuations
- Ensure fund switches / rebalances / top ups / withdrawals are carried out accurately and within company timescales
- Ensure action points resulting from client meetings get diarised and dealt with in an appropriate timescale
- Other duties as directed by management

### **Detailed Duties**

Working as part of our team to deliver Strategic Financial Planning Process to New Clients:

- Undertake analyse and cashflow planning of client's current situation.
- Research potential financial products and portfolios to meet with client's needs.
- Work with Financial Adviser to build the clients Strategic Financial Plan and take responsibility for preparing the report for presentation at the client meeting.
- Once the plan is agreed with the client, create an implementation plan and timescales to ensure client advice is implemented efficiently.
- When all advice complete review file with Financial Adviser to ensure all paperwork and advice completed compliantly.

Supporting the Financial Advisers to provide our clients with the ongoing client review and management process:

- Work with Financial Adviser to prepare annual review for clients Strategic Financial Plan and prepare report for presentation at client's review meeting.
- Assess and analyse performance of client's portfolios over the long term.
- Implement any subsequent changes to client's investments and other financial assets after client review.
- Provide ad hoc valuations and information on clients' portfolios.
- Provide ad hoc administrative management of all clients' assets and portfolios as required.

## Requirements

We require the successful candidate to:

- Have graduated from a degree in one of the following: Finance & investment Analysis, Accountancy or Business Studies combination.
- Have a strong working knowledge of Microsoft Office packages.
- Have skills in preparing client reports, writing competently, using diagrams, charts and tables to express the complex financial concepts in a simple and understandable manner for clients.
- Have a confident telephone manner and be able to speak directly to external organisations to obtain client and
  portfolio information. Also, to understand procedures these organisation require Pacem to follow to manage our
  clients' portfolios and assets effectively.
- Plan and prioritise their own workload and work well as part of our team.
- Have good time management skills.
- Be diligent in their work at all times.
- Have the ability to work and think independently to solve problems as they arise.
- Excellent spoken and written communication, and self-presentation when interacting with clients.
- Strong organisational skills, the ability to plan, prioritise and multitask.
- Be professional, energetic and dependable.
- Attention to detail.
- Ability to work with a high level of confidentiality and sensitivity.
